SHROUDED & NON-SHROUDED MOTOR RINGS

Non-Shrouded Motor Ring - fan is above the ring

MOTOR PACKS INCLUDE FAN AND MOTOR ASSEMBLED TO MOTOR RING
Includes Grommets & Collets

NON-SHROUDED MOTOR RING - SP6022

NON-SHROUDED MOTOR PACK:
600W - SP6081
750W - SP6077
1000W - SP6075

Shrouded Motor Ring - fan is inside the ring

SHROUDED MOTOR RING - SP6025

SHROUDED MOTOR PACK:
600W - SP6078
750W - SP6076
1000W - SP6074

AIRGROUP AUSTRALIA - TERMS & CONDITIONS - 2021

Prices are valid from 1st October, 2021 but are subject to change without notice. Goods will be charged at the correct price on the day of invoicing. Please check to make sure that the correct goods have been received and notify AirGroup Australia immediately if they are not correct or if any items are short supplied. Inspect all items for damage, eg: dents, scratches, etc BEFORE installing the product. **IF THERE IS ANY DAMAGE DO NOT INSTALL THE ITEM** - contact AirGroup Australia immediately. AirGroup Australia WILL NOT accept for return or credit any damaged product that has been installed even if it has not been used. AirGroup Australia WILL NOT reimburse any removal or re-installation costs. A re-stocking fee may apply to goods returned for credit; delivery fees will not be credited. Custom made sheet-metal items are not returnable for credit unless manufactured incorrectly. Always provide drawings with dimensions to ensure items are made to your design. **We will only accept goods back if notified within 7 days of you receiving them.** Returned goods are subject to both inspection and a re-stocking fee. All goods remain the property of AirGroup Australia until they are paid for. The purchaser is responsible for any loss or damage to the goods whether by theft, accident or any other cause once the goods have been despatched from AirGroup Australia. Goods will not be supplied if there is any outstanding amount not paid for by the appropriate due date. AirGroup Australia will not be liable for any claim or expenses incurred by late delivery of the goods. Claims for transport loss or damage must be made to your nominated carrier. Please advise your customers of the manufacturer's warranty conditions including limitations where the unit is installed at a premises more than 25km from a service agent, or in cases where special access equipment is required for servicing the units, these costs are not covered by warranty and will be the responsibility of the customer. Images shown may depict a product feature or design without fully reflecting the product overall. Please refer to product details and specifications when making a final selection for purchase.
