

Hello Summer!

Air coolers with Power Saver Technology

There's one for every reason.
There's one for every occasion.
There's one for every one.

If life throws up these snippets of joyous moments, we are always there by your side to make them as cool and enjoyable for you as possible. With constant product innovations aimed at satisfying every specific requirement of yours, we have earned our place in your hearts, and of course in your homes, as the most preferred brand of air coolers. With Symphony by your side, summer is all about staying cool.

Hi!COOL

Cools upto 20 sq.mt. / 200 sq.ft.*

Symphony Hi Cool! Now with ionizer! The most glamorous air cooler from Symphony is also the healthiest option for you. Complete with superior cooling and stunning aesthetics, the new Hi Cool also has ionizer, which will keep the air free from dust, smoke and all other kinds of pollutants. So, breathe easy and just chill!

Key Features

- 11 mt. (37 ft.) air throw
- Air throw at body level
- Humidity control
- Portable
- Honeycomb pad
- Mosquito net with dust filter
- Powerful 3 speed motor
- Water Level Indicator
- Ice chamber
- No trolley required
- Even operates on inverter
- **Low power consumption of only 140 watts / 0.14 unit per hour.**

Have you ever felt close to mother nature? The freshness of being in a beautiful green forest or close to huge waterfall, or on a mountain with a crisp clean air. HiCool ionizer makes you feel just that way by removing the small pollutants like smoke, spores, pollens, dust and pet hairs, from the air we breathe. Besides purifying the air this ionizing process also leads to:

- Increased alertness
- Better sleep
- Elevates mood
- Improved vitality

So go ahead make life more healthy and beautiful.
